

Please do not implement any proposal that would lessen Indiana's Telephone Privacy law protections. I used to get upto 15 telemarketing calls a day (not to mention all of the "hang-ups" I would have to listen to on my answering machine) before the law was enacted, now I get 3-4 a week. I believe my quality of life has improved since the constant invasion of my privacy, and tranquility, has ended.

Thanks,

Mark S. Hopkins
